Enclosed please find revised tariff pages filed on behalf of Verizon Long Distance LLC. This tariff revision is submitted in Adobe PDF format and filed electronically with the South Carolina PSC E Tariff System. This filing increases Plan D Service (e-Values) Monthly Recurring Charge (MRC). Customers have been notified of this increase via bill message. A copy of the bill message is included with this filing. This filing also adds the PIC Change Waiver. **SECTION 3 - DESCRIPTION OF SERVICE AND RATES****3.1 General, (Cont'd.)****3.1.7 PIC Change Waiver**

New and existing business and residential Customers who presubscribe to the Company's intraLATA service through Company-designated sales channels are eligible to receive a one-time credit to offset the costs associated with changing a presubscribed intraLATA carrier (PIC change).

The charge for changing a Customer's presubscribed carrier is assessed by the local exchange carrier serving that Customer. Where appropriate arrangements are in place between the Company and the eligible Customer's local exchange carrier, the Company will incur the change charge directly on the Customer's behalf. Where such an arrangement does not exist, or at the Company's discretion, a credit not to exceed five dollars (\$5.00) will be issued to the Customer's account or a check will be mailed to the Customer.

The PIC change credit will be applied within ninety (90) days of the eligible Customer's intraLATA presubscribed carrier change. If the Customer's service is discontinued prior to receiving the credit, either at the request of the Customer or by the Company, then the credit will be forfeited.
